1. (Internal Use Only - PLC) [redacted] DD/OER, called to alert us that Miles Costick, Special Assistant to Representative Ben Blackburn, had called [redacted] European Division. [redacted] did not know where Costick had gotten his name. Costick requested a listing of all CIA classified reports on US/Soviet trade for Blackburn. [redacted] said he would have to check and call back; however, he did offer to provide Costick a bibliography of unclassified articles and put him in touch with Sherman Abrahamson of Commerce who is preparing certain materials on the subject. [redacted] also mentioned that John Hardt of the Library of Congress is also preparing certain materials. I told [redacted] that Blackburn had not yet called me concerning his request for classified CIA documents and when he does call I will include Costick's request to [redacted] for a bibliography on classified CIA documents. See Journal and Memorandum for the Record of 28 March 1973.
